Level 2 Certificate in Creating a Busine

Over half a million businesses are started every year; however, 30% of these fail within the first two years. Having a better understanding of the initial processes and requirements of a business start-up can increase the chances of your business succeeding. If you're looking to start your own business, or already have a business but want to develop and progress your business plan, this qualification will support you with the skills and knowledge you need.
Achieve a nationally recognised Level 2 qualification.
Further your professional development.
Learn at a time that suits you without the need to attend college.

What will I learn on this course?

Initial steps for a business start-up
Marketing for a business start-up.
Legal and financial considerations when starting a business.
How to develop a business plan.

Is this course suitable for me?

This course is suitable for anyone that is interested in starting up their own business.

Is there anything I need to know about this course?

This is an online course. An initial assessment is required prior to enrolment.

What could I go on to do after this course?

If you wish to explore your learning, work or career options, you can speak to a fully trained careers advisor on 0800 100 900. https://nationalcareersservice.direct.gov.uk

If you need further advice please telephone 01634 338400.

Attendance Policy

This course will need to be completed by the end date, which is in 12 weeks.

How are digital skills used and enhanced?

IT/ Digital skills are fully embedded within the course as it is online.
The course is entirely delivered online through workbook learning and access. Learners will need to have access to a good internet connection and a computer. Learners will also need good IT skills. If learners are interested in developing their IT skills further, we have a number of Digital Skills courses available that may help.
The courseware is a pdf booklet that learners will read and then learners can go onto the website and answer questions to demonstrate their understanding. Learners may wish to print the booklet, but this is not necessary.
You will need to access YouTube to watch listening skills in action.

Health and Safety

Learners are encouraged to work safely. Poor positioning of equipment can lead to Repetitive Strain Injury (RSI).
Discover more about safe ways to work with computer equipment here:
