

Calligraphy - beginners and progression

Whether you would like to learn new creative skills or to look into the possibility of a new craft-based career, MAE Community Learning courses can provide you with a stepping stone to progress.

This course is for those who are new to or are still relatively new to calligraphy. The course will incorporate the use of double pencils, flat brushes, Automatic pens, and Round hand nibs, looking at and developing the Round Hand and Cursive scripts, working with colour, simple layouts and design. Those who have done some calligraphy can pick up on areas in which they feel less confident.

All work contributes to a portfolio of ideas and letter practice, developing a good hand.

Calligraphy is a very precise and beautiful art form, therefore maintaining a sketchbook, notes and a portfolio of work is extremely important to help you to keep a record of your development. Those who have already done some calligraphy please do bring examples of your work.

What do I need to bring?

You will need to bring:

- three HB pencils
- masking tape
