

Floristry - Festive Door Wreath

Whether you would like to learn new creative skills or to investigate the possibility of a new floristry-based career, MAE Community Learning courses can provide you with a stepping stone to progress

Prepare your home for the festive season by creating a gorgeous door wreath to welcome your guests.

You will be welcomed into the studio by our professional floristry tutor, who will guide you step by step through the process of creating your own unique wreath. Using seasonal foliage, orange slices, cinnamon sticks, pine cones and a choice of ribbon to finish you will leave with a Christmas wreath to impress! All materials are included in this great festive workshop and we also have tools you can borrow but you may prefer to bring your own floristry scissors, secateurs and wire cutters if you already have them.
