

Sewing: Cloning Your Clothes

Join us for this exciting and fun workshop where you will learn how to make a pattern of a favourite garment.

This enjoyable class will cover the planning, laying out, measuring, cutting and making up of a paper pattern of a garment taken from an existing item.

During the session, you'll also learn some tricks of the trade to help with achieving a more professional finish and faster project completion.

This is a non-funded course and as such concessionary rates do not apply.

You will need to bring the item that you would like to clone. You make the pattern on the day and have professional guidance, you will not make a copy of your item on the day.
