

Supported Learning - Crafts With Clay

Medway Adult Education, in collaboration with Medway Council, offers a Supported Learning programme for local residents with learning difficulties and disabilities, featuring creative and practical subjects aimed at empowering learners.

Crafts with clay will combine drawing, design, craft and working with clay on a range of tutor led projects. Learners will have opportunity to develop their own outcomes across the projects, but CLAY WILL NOT BE USED EVERY WEEK and some projects may not have a clay based outcome. This is not a pottery course, it is crafts that may incorporate the use of clay.

If learners have unpredictable behaviours or potentially aggressive or violent tendencies that can be triggered by the learning environment, then they may not be suitable for these courses.
