

Jewellery Design and Making L1A

This is a level 1A course that caters to both beginners and those with experience of metal smithing or jewellery designing and making. Your expert tutor will provide step-by-step guidance on a set project. The project will be suitable for complete beginners while also providing the opportunity for the more experienced to extend their skills.

Learners will have the chance to design and personalise their creations, making unique jewellery for themselves or loved ones, all under the supervision of a heritage craft expert. Additionally, learners will adhere to essential health and safety procedures within the studio to ensure a safe crafting environment.

If you are interested in developing your creative skills, book onto one of our courses from the Creative Arts offer.
